

President's Notes

Back to school is here, and along with it the first rustlings of Autumn. While this is the time of year that nature begins to fall into its yearly rest, I always associate the crisp smell of the season with new beginnings and a renewed eagerness in both current and future projects. It is a great time to pull out seasonal UFO's from years past, or jump into something fresh and pick up a new skill.

Speaking of new skills, there is a lot to be learned from our speaker this month: Rae Cumbie of "Fit For Art." Whether you have an interest in garment construction or are strictly a quilter, exploring different types of sewing expands our skill sets and helps us approach techniques from a different angle. If you want to take a look at some of Rae's work, please visit her website at <https://www.raecumbie.com/>.

Enjoy the return of pumpkin spice and cooler weather!

SEPTEMBER PROGRAMS PREVIEW

Rae Cumbie: Wearable Art

Thursday, September 14, 2023

Join us for our program featuring a lecture and trunk show by Rae Cumbie “Fit for Art.” Rae’s artistic expressions result in mixed-fiber clothing and accessories that are both artful and wearable. With more than 30 years’ experience as a custom dressmaker, she brings an extensive knowledge of fine sewing, couture construction, flattering and comfortable fit, and the necessary balance between line and design to the coats, evening ensembles, scarves, and other wardrobe pieces she designs and assembles.

For more info, see Rae’s website at <https://www.raecumbie.com>.

The Program Committee is looking for additional members!!

Here is a description of what we do: The Program Committee plans for monthly meetings, special meetings such as the annual holiday banquet, and workshops for the membership and/or the general public. The committee is authorized to solicit and engage qualified speakers, teachers, or facilitators for the above meetings and workshops, which are announced in the monthly newsletter on the guild’s website, by email, and/or through other media. The Program Committee may coordinate the serving of refreshments and the utilization of required technology, such as overhead projectors, microphones, virtual software, and computers at such meetings and workshops.

Current committee members: Sandy Dunning and Fran Scher (co-chairs), Linda Beavers, Libi Driggers, Stella Peñalver and Marty Simmons.

We would like to have **two** more members!

We meet once a month, typically via Zoom on the Monday evening of the week when we have our Thursday guild meeting.

If interested, please contact Sandy or Fran.

David Sirota Workshop

Here is an update on the popular David Sirota Virtual Workshop on September 23:

At the request of several members from both Clustered Spires Quilt Guild and Four County Quilt Guild, this workshop was scheduled for the Collide-O-Scope Quilt. This is one of David’s newer workshops and provides a method for making what used to be a complex quilt pattern with lots of curves into a much simpler method, without even one curve - all straight lines!

Continued on Page 4

David Sirota Workshop on September 23 (Continued)

Originally all the spots were filled. However, due to some last minute cancellations there are currently 6 openings for this Zoom workshop on September 23 from 10:00 - 4:00. Cost is \$40 for the entire workshop. David's workshops are not only instructional, but also a lot of fun! Please consider joining your fellow guild members and creating this amazing quilt!

If you are interested in signing up for one of these spots, please let Sandy know by email or text/phone:

COMMUNITY SERVICE

We are going strong! As of our July guild service night, we are pledging to make 48 quilts for the Stockman Institute. Thus far, Danita has collected 19 quilts and 20 bags. Great job to those who have completed it! Be sure to submit a picture of your quilt to the CSQG email; this will be our way to keep track of the quilts you have made. Also, a gentle reminder to talk to our long arm quilters now if you are in need of it.

I have collected 18 cat hammocks and 7 cat pads so far for the Animal Welfare League. I have arbitrarily set our goal to 100 pieces. Kits are available to those who would like to make them.

Please text me at 301-728-0081 if you are in need of a kit, label or have any questions.

Jenny Chua, Chair

HOLIDAY PARTY PLANS

Planning is now underway for our end-of-the-year holiday party. This year, two homemade gift exchanges are planned: a set of any occasion potholders and a holiday fabric postcard. Please get insulbrite and a stiff interfacing (4" x 6" or 5" x 7", your choice) during the September meeting to start making your gifts. Bring the wrapped gifts to our December meeting to participate in the exchange.

Please help me plan the holiday party. Only with your help could we make the party organized and fun. Food and possibly wine must be ordered and picked up, set up and cleaned up. Help is also needed at the party. If you have any ideas for fun holiday games, please let me know. Looking forward to hearing from a few volunteers!

Jenny Chua, Chair

BLOCK OF THE MONTH

For September, we will be working on Blocks 46 thru 66, which will start the bottom rows of our quilt. Also, start working on and using any left over 2.5 half square triangles which will be used on the outer border that goes around the outside of the quilt before adding the final border. We are two thirds of the way there.

Darlene Morris, Chair

Fundraising

September is a busy month for Fundraising! We are starting with our Helen Smith workshop for kids at the Delaplaine on September 2nd from 1-3; we still need one more volunteer for this. The next day we come back to the Delaplaine for our first Sunday pop-up from noon to 4. Then, each Sunday from September 10 through October 1 we are doing a Learn To Quilt series at Frederick MADE. The pattern for this will be made available for free to members on our website ahead of the class, so check the website after Labor Day if you are interested!

I am happy to say we handed out all of our kits for the Buy A Block initiative at our August meeting! Blocks are due at our October meeting, but can be given to me sooner if desired.

Thank you everyone for all of their support and participation!

Jessica Halpin, Chair

Behind The Seams: Committees Keep Our Guild Stitched Together!

This month we are featuring two committees that truly shape what our guild looks like: Programs and Membership. The Programs Committee is truly the cornerstone of our community and meetings, and if you have a passion for seeking out educators or arranging activities it is a fantastic group. Membership allows you to get individually acquainted with our entire membership and guests. See Pages 3 and 7 for expanded descriptions of these committees.

If you are interested in signing up for a committee, we have rolled out Sign Up Genius to enroll or you can email the chair of the committee you are interested in. You can find the Sign Up Genius in the Members section of the website or by visiting this link:

Fit For Art Patterns <info@fitforartpatterns.com>

Special Request to help Maui residents affected by Wildfires August 2023

Dear Friends -

Our professional organization, ASDP, has put out a call for help from a fellow member in Hawaii. They are
Continued on Page 6

Fit For Art Patterns (Continued)

requesting volunteers to sew comfort items for Maui residents who are now living in shelters due to the recent wildfires. If you are interesting in helping, here's the info:

We're reaching out with an urgent request on behalf of one of our fellow members in Hawaii. They are actively engaged in providing assistance to those affected by the devastating fires in Maui. Our member is currently sewing essential items for the people of Maui and has identified two specific needs: pillowcases and sleep masks. These items are playing a crucial role in providing comfort and support to those who have been affected.

For the pillowcases, it would be immensely helpful if you could include a drawstring or some form of closure. These pillowcases are being utilized as bags for personal belongings. Additionally, sleep masks are in high demand as the shelters are required to keep the lights on for security reasons. Crafting adjustable sleep masks that can fit both kids and adults would be greatly appreciated.

If you're able and willing to contribute, please consider creating these items and sending them to the address provided below. For additional information, including how you can make a monetary donation visit <https://www.thesewinghui.com/get-involved>.

MEMBERSHIP

We had three members join us in August. Please welcome Miriam Reeser from Boonsboro, Md. She is not new to the area, but has been quilting for 3 years.

Second, please welcome Rosalie Walker of Frederick. She has been quilting since the 1980's. She's been on a journey of many roads, from old techniques to the new. She is a traditional quilter experiencing updated colors and

themes. She has sent 2 machines to machine heaven!!! With over 40 years, it's great to sit back, enjoy and admire the unbelievable talent, excitement of today's quilters and fabric artists.

Rosalie belonged to two previous guilds, North Parish Quilters in Massachusetts and Manatee in Sarasota, Fla. She has taught on a limited basis. She'd like to learn about paper piecing which she enjoys and is interested in joining some small groups. Her friend, Fanny Johnsson, introduced her to us.

Also welcome Nancy Easley who has been quilting for 5 years. She is interested in community events, and making and donating to charities. Her friend Pam Lloyd told her about us.

LAST CHANCE STASH

Thank you to all our guild members for your great support of Last Chance Stash this year. We have had incredible and fun monthly sales all year long. Looking forward to another great sale during our September meeting. Please continue to bring any and all of your fabrics, patterns, books, and notions that you no longer need, use, or love. Hopefully, another quilter will have (or find) a need for them.

Members may not know this — all the LCS items left over at the end of a meeting are now given to the Fundraising and Community Service committees to be used for classes, flea markets, kits to sell, Community Service projects, etc. We use it all! Sometimes we even find a great door prize item.

SUNSHINE NEWS

Nancy Pedersen has been back in Walter Reed when she experienced a blockage and was in excruciating pain. Please keep Nancy in your thoughts and prayers. I know she'd appreciate them... a lot!

FOLK FLOWERS QUILT Workshop with ANNA MARIA HORNER

Cost: \$55.00

The Folk Flower Quilt with its spunky leaves and simple, circular flower heads in each and every block offer so many opportunities to play up favorite feature style fabrics and to fussy cut beautiful floral prints. The very basic square on point background also invites a path towards patchy or an overall graphic design, such as the gray ombre of the cover quilt. The quilt is instructed as reverse appliqué, and the technique is ideal for keeping curved pieces smooth and bulk free. But anyone with some experience in other appliqué methods could easily adapt the pattern to suit! Pattern includes variations for four sizes.

Please contact Anne Deinert at skadey4@gmail.com of Helping Hands Quilters

Giveaway!

Pat James was kind enough to pass on the following information from a friend of hers:

I have a quilting frame I would like to donate or just give away. It is quite substantial, each end piece is made of 2x4's - the two connecting poles are about 6' long with attached fabric. Our church Sodality made a double width quilt with it years ago and the frame has been in storage.

I am willing to deliver if transportation is an issue.

Middle photo, middle row: Olga Schrichte donated a Stockman Community Service lap quilt and reversible tote bag. She also made a large blue quilt using a mod plaid fabric. Next was a small quilt showing a color chart made with Inktense pencils and a digitized bunny quilting pattern wall hanging, also colored with Inktense pens.
